

## MEMBERSHIP COMMUNICATION FORM

In order to better communicate with the residents of Lake Forest in a more timely basis than the once a month newsletter, we are asking for your email address. Topics that emails are used for primarily include: road improvement updates, board meetings, pool access card implementation, improvements to amenities and promotions for owners to use the various amenities.

Your email address will be considered private, only to be used for sharing information pertaining to living in Lake Forest. Your email address will not be shared with other homeowners, sold nor used for individual political purposes. We thank you in advance for your cooperation in helping us serve you better and save costs for our community.
